MRC Membership Application
(for entry in SERVGA, Georgia’s State Emergency Registry of Volunteers)

Georgia’s State Emergency Registry of Volunteers (SERVGA) is a database of people who may wish to help public health personnel respond to an act of terrorism or other public health emergency. It is coordinated with Georgia’s public health and Medical Reserve Corps (MRC) volunteer programs. Filling out this form will help connect you with your local MRC unit. The Central Georgia Medical Reserve Corps serves Baldwin, Bibb, Crawford, Hancock, Houston, Jasper, Jones, Peach, Putnam, Monroe, Twiggs, Washington and Wilkinson counties. There are other MRC units serving other parts of Georgia.

If you can, please sign up at the http://www.servga.gov web site. When filling out the application, be sure to designate “Central Georgia Medical Reserve Corps” as the unit you are joining. If you are unable to sign up online or prefer to register using this paper application, we will be happy to assist you. If you sign up online you will not need to complete the paper application.

If you are already registered with SERVGA, please add "Central Georgia Medical Reserve Corps" as one of your unit affiliations (in your SERVGA profile).

Registering places you under no legal obligation to volunteer. For further questions or information about our MRC unit, please visit our web site at www.northcentralhealthdistrict.org/mrc or contact us at the address or phone number listed above. For more information about the national MRC program, go to https://www.mrc.hhs.gov. For more information about the online volunteer registry, go to https://www.servga.gov

Data privacy
Information collected through the registry will be kept private or non-public, except where required by law. Only DHR and its federal, regional, and local partners involved in planning, investigating, or controlling a public health emergency will have access to this information. These partners could include both public health and law enforcement as well as MRC units with whom you affiliate. Providing information to this registry is voluntary. If you decide not to provide this information, however, we may not be able to contact you for emergency volunteer work.
