

Any Approved Milk-based or Soy Infant Formula Powder Reference Guide

Effective March 1, 2023, Georgia WIC is updating the approved set of milk-based and soy infant formula options. Please note, contract formulas listed below are not available for purchase with Georgia WIC benefits at the pharmacy.

When your eWIC shopping list includes **“Any Approved Milk-based or Soy Infant Formula Pwd”** use the table below to identify approved powder formulas when purchasing your WIC benefits.

- One 12 – 21 oz can, counts as 1 can of your remaining formula benefit.
- One 27 – 32 oz can, counts as 2 cans of your remaining formula benefit.
